

# Would you leave your door open at home?

Always LOG OUT of your computer  
and keep your stuff safe.

Would you drop  
your information  
like this for others  
to find?

The internet leaves  
trails too.. Don't let  
**STRANGERS** find  
your details.

# Is your password easy to guess?

Make sure your password is not something obvious and DON'T write it down for others to see.

# Do you know this masked man?

You never know who could be sat behind a screen! NEVER give out your personal information online.
