

Our Approach to the NHS Test and Trace Service

In order to support the NHS Test and Trace programme, we are taking contact details (name and telephone number) for all guests, or a nominated 'party lead', as well as recording times of you entering and leaving our venue.

In line with guidance issued by the Department for Health and Social Care, we will keep your details safely and in compliance with GDPR legislation for 21 days before securely disposing of or deleting them. We will only share your details with NHS Test and Trace, if asked, in the event that it is needed to help stop the spread of coronavirus. We will not use your details for any other purposes or pass them on to anyone else.

Thank you for your cooperation in this and your commitment to keeping all guests and staff here safe.

*A warm welcome awaits
so please enjoy our hospitality.*
