

# Colour Codes for Hard Hats on Construction Sites

The following hard hat colour codes apply to construction sites in the UK, as set out by Build UK.

## White

- ✓ Site managers
- ✓ Competent operatives
- ✓ Vehicle marshals

## Orange

- ✓ Slings
- ✓ Signallers

## Black

- ✓ Site supervisors

## Blue

- ✓ All others on site who do not fall into the above categories
- ✓ Visitors

**Note:** Network Rail's PPE standards only permit **white** and **blue** hard hats on their sites, so the above colour codes do not apply to them.
