

• • •

This list is not exhaustive but covers some common possible hidden meanings of emojis.

**Potentially bullying or threatening emojis -** The following emojis can be used as part of online messages designed to intimidate or threaten children and young people.

Emoji (s)	Possible meaning
	You/they are ugly
	An overly sensitive person, or someone who is easily offended
*	'I don't care what you think'
<u> </u>	'I really don't care' (sometimes in the context of a response to what someone has said about them)
	A lie
6	In some circumstances, this can be used to show support for white supremacist ideologies
2	Used to call someone untrustworthy or a 'back-stabber'
	This is to emphasise something that someone can't seem to understand – in a passive aggressive way, used in between each word in a sentence. For example, I 🍋 am 🍋 busy 🍋
<u></u>	Take the advice, take note
۲	'Basic' – derogatory
	An insult suggesting that someone is worthless or 'rubbish'
8	A threat to 'cut' someone
٢	A threat suggesting that something bad is going to happen in the future
₩ ×, or 👊 or 🤕	A threat of physical violence
ي ي	'You're dead meat'
X	Refers to being 'ghosted' - ignored or dumped without being given a explanation
	'It is what it is' or 'deal with it'
