

COURSE CONTENT OVERVIEW

# Anti-Bribery

In this short course, you'll learn about what bribery is and how to recognise it, the six principles of the Bribery Act 2010, and how your organisation should be implementing anti-bribery policies and procedures.

Bribery is illegal and is defined as giving someone a financial, or other, advantage to encourage them to perform their functions or activities improperly, or to reward that person for having already done so. The act of giving or receiving a bribe is recognised as a major issue for sustained economic development.

#### **Module One: What is Bribery?**

This module outlines the history and purpose of the UK's Bribery Act, explains when a gift or advantage is 'proper' or 'improper', and outlines the offences under the law.

- The Bribery Act 2010
- Propriety
- Bribery offences
- Legal defence

#### **Module Two: Anti-Bribery Procedures and Policy**

This module explains each of the key principles of an anti-bribery policy and shows what needs to be included to ensure procedures are effective.

- The six principles of anti-bribery
- Anti-bribery and corruption policies
- What's included in an anti-bribery policy

## Aims of the training

By the end of this course, learners will:

- Understand the key provisions of the Bribery Act 2010.
- Be able to identify potential bribery risk situations and circumstances.
- Understand the six key principles and the implications for businesses.
- Be able to explain why anti-bribery measures and procedures are essential.
- Know what information must be included in an anti-bribery and corruption policy and when a business might need one.
